NO

I, _____, hereby certify that I have read this application and filled all information required by the City of Liberty. I understand that all work will be performed in compliance with the **Plumbing Section and/or Fuel Gas section of the 2021 International Residential Code or the 2021 International Plumbing and Fuel Gas Code**, ordinances and laws adopted by the City of Liberty and State of Texas. I also acknowledge that the City of Liberty or its authorized agent is not responsible or liable for verification of information enforcing deed restrictions, covenants or homeowner association requirements. The City of Liberty shall never be liable for any damage or loss by reason of the issuance hereof. I, as the authorized agent of the owner, will allow the City Manager or his authorized agent access to perform inspections during normal working hours.

*** All permit fees must be paid before any work can begin.**

TCEQ Requirements:

- No pipe or pipe fitting which contains more than 0.25% lead may be used for installation or repair of plumbing at any connection which provides water for human use.
- No solder or flux which contains more than 0.2% lead can be used for installation or repair of plumbing at any connection which provides water for human use.
