Brian Hurst
CHIEF

Dear Friends & Neighbors,

As we begin our 99th year in operation, let us take this opportunity to thank you all for your continued support. Like all years, 2023 was a very busy one for Liberty Volunteer Fire Department. Not only did we have a major remodel of Station 1, but we also broke ground on Station 2, and we anxiously await its completion.

Several times throughout the year we hold various fundraisers, beginning with this Annual Fund Drive Letter where we ask for your tax-deductible donation. We also hold several BBQ Sandwich Sales as well as the Jubilee Gun Raffle, CPR Classes and we end our fundraising yearly with the Annual Thanksgiving Turkey Sale. Your support of these fundraisers ensures that we can maintain our gear and continue our training to serve you and your family in times of need.

Thank you again and we look forward to serving our community in 2024.

Sincerely,

Carol Hajovsky
LVFD Treasurer
