You are entering the Liberty Parade on Tuesday, December 7, 2021.

The Parade comes with “one” Santa Claus and no other Santa will be allowed in or around the event.

All entries should have an abundance of Christmas lights. Remember, the parade is at night, so decorate with as many lights as possible.

You will be called the day or night prior to the parade and given your line up number.

Display your line up number on the right front side of your entry.

FLOAT - A float can be a creative design and/or construction that is placed on wheels and pulled by a car, truck, horse, mule or even a person. A float is not a decorated vehicle unless a trailer is pulled by the vehicle. All decorated vehicles are encouraged to participate; however, they will not be judged as floats. Antique vehicles, to include vintage vehicles or collector cars and motorcycles of all types are welcome and add a great deal to the parade.
